Dear Directors and Pastors of the Baptist Bible Fellowship:

It is my pleasure to write to you on behalf of Adam and Ayla Cottrell. I have known this couple for over 5 years and have always known them to be a man and woman of God; doctrinally sound; faithful to God, their family, and their church; responsible in all duties; passionate for world missions and souls; and of great integrity. I believe that their skills and experience make them an excellent candidate to work as missionaries of the Baptist Bible Fellowship International.

The Cottrell's have displayed great characteristics of a young couple, college students, and staff member. Their walk with God and testimonies are impeccable, and they would be a blessing to have as part of your BBFI missionary team.

If you have further questions, please feel free to contact me by phone or email.

His for Souls,

Rev. Gary L. Berry

Senior Pastor
