

Dear Pastor,

It is a great honor and privilege to recommend to you Adam and Ayla Cottrell. I have known both of them for many years. I have had the privilege to work with Adam in various ministry forms over the past 10 years. From camps to revivals and from visitation to personal conversations it has been my joy to watch him grow in his relationship with Christ and now in his relationship with Ayla. To see them work together as a team and desire to do what God has called them to do has been a thrill to my heart and soul.

I am looking forward to all that they will do on the mission field. How they will be able to tell others what God has done in their lives and how He can also do it for them if they will just trust Him.

Would you please consider this young couple for both financial and prayerful support. They will not let you down and they will make a difference around the world.

Thank you for your time in the matter and may we all rejoice in the lives that will be touched as this couple allows God to work through them.

May God continue to bless all that you set your hands to do.
